2. Always makes your own notes in summary form so it will help you to study one day before exam
3. Highlight the key points
4. Write Formulas in a notebook and revise it on daily basis.
- 5 Have apportioned less time to the chapters those have less importance, so manage time accordingly.
6. Drastically you will catch up the skills to study, increase time as well so you can cover the schedule plan. I've made the schedule accordingly
7. As the day comes nearer and your classes comes to an end, you have to increase your time of studies to cover the syllabus, this schedule have been made taking in to consideration all these factors
8. You may take IDT first as well and DT later, DO Shuffle it as per your Convenience
9. Those who are appearing for Both Groups give 3 hrs to group-2 refer study plan of Group-2 ( we have took one Subject at a time so you can Grasp it easily)

**10. Stay tuned to our updates we keep providing with our memory techniques, Study tips & various types of notes of our own & from various sources.**

**All The Best.**
