BASIC CONCEPT OF TAX

MEANING AND TYPES OF TAXES			
Meaning	<ul style="list-style-type: none"> • Tax is NOT “Compulsory Extortion of Money” by the government. • It is the financial charge (fee) imposed by the Government on income, commodity or activity. • Taxes constitute the basic source of revenue to the Government which are utilized for meeting the expenses of Government like defense, provision of education, health-care, infrastructure facilities like roads, dams etc. 		
Types	Direct Taxes	<ul style="list-style-type: none"> • Those taxes where incidence and burden falls on the same person. • Example: Income Tax 	
	Indirect Taxes	<ul style="list-style-type: none"> • Those taxes where burden can be shifted to another person through a change in price. • Example: Goods and services tax 	
Difference	Point of Difference	Direct Tax	Indirect Tax
	Levied on	Income/wealth of the person	Price of Goods or Services
	Examples	Income tax, Tax on undisclosed foreign Income or Assets.	GST, Custom duty.
	Shifting of burden	There is No Shifting of burden. > Direct Taxes are directly borne by taxpayer	Tax burden is shifted to subsequent buyer/user. > Thus whole burden falls on final consumer.
	Time of Collection	Collected on yearly basis	Collected at the time of sale/purchase of goods or rendering of services.

INCOME TAX – NATURE AND SOURCES	
Nature of Income Tax	<ul style="list-style-type: none">• It is a tax on income of an individual or an entity. It is one of the major sources of revenue for the Govt.• The responsibility of collection of income tax vests with the C.G.• The tax is Leviable & collected under Income Tax Act, 1961.
Sources of Income Tax Law	<ol style="list-style-type: none">1. The Income tax Act, 1961: contains 298 Sections and XIV Schedules2. The Income Tax Rules, 1962: Framed by CBDT for proper administration of Income Tax Act.3. The Finance Act: Part of Annual Budget presented by Finance Minister in Parliament.4. Circulars And Clarifications issued by CBDT: Deals with certain specific issues for the guidance of officers and assessees. Department is bound by the circulars. Assessee is not bound by the circular though they can take benefit of beneficial circulars.5. Judicial Decisions.
Basis of Charge (Sec. 4)	<ol style="list-style-type: none">1. Income tax is an <u>annual</u> tax on <u>total income</u> of <u>every person</u> computed in accordance with the provisions of this Act as they stand on <u>first day of April in any AY</u>.2. Income of PY is taxable in the next following AY. However, there are certain exceptions to this rule.3. Tax rates are fixed by the annual Finance Act. However, Income Tax Act has prescribed specific rates, in respect of certain incomes.4. Income tax is to be deducted at the sources or paid in advance as provided under provisions of the Act.

IMPORTANT CONCEPTS

<p>Person[Section 2(31)]</p>	<p>Person includes:</p> <ul style="list-style-type: none"> (i) An Individual; (ii) A Hindu Undivided Family (HUF); (iii) A Company; (iv) A Firm; (v) An Association of Persons (AOP) or a Body of Individuals (BOI), whether incorporated or not; (vi) A local authority; (vii) Every artificial juridical person not falling within any of the preceding sub-clauses.
<p>Assessment year [Section 2(9)]</p>	<ul style="list-style-type: none"> • Assessment year means the period of 12 months commencing on the first day of April every year. • The tax is levied, in each assessment year, with respect to or on the total income earned by the assessee in the previous year.

<p>Previous year [Sections 3]</p>	<ul style="list-style-type: none"> • Previous year means the financial year immediately preceding the assessment year. • Financial year means a year which starts on 1st April and ends on 31st March. • Income-tax is payable on the income earned during the previous year and it is assessed in the immediately succeeding financial year which is called an assessment year. 	
	<p>First previous year for a business / profession newly set-up during the financial year or for a new source of income</p>	<p>In case</p> <ul style="list-style-type: none"> (i) A business or profession is newly set up, or (ii) A new source of income comes into existence during the financial year, <p>The period beginning from the date of setting up of the business or from the date the new source came into existence, and ending on the last day of that financial year i.e. 31st of March shall be the first previous year for that business or source of income.</p>

Cases Where Income of Previous Year is Assessed in the Same Year	Shipping business of non-residents [Section 172]	<ul style="list-style-type: none">• A non-resident who is carrying on a shipping business and earns income from carrying passengers, livestock/goods from a port in India, will be charged income-tax before the ship is allowed to leave the Indian port.• Therefore, before the ship leaves the Indian port, the master of the ship is under an obligation to furnish a return of the full amount earned on account of fare and freight (including the amount paid or payable by way of demurrage charge or handling charge or any other amount of similar nature) and pay the tax accordingly.• In this case 7.5% of the amount of fare/freight/charge, etc. shall be deemed to be income of such assessee on which the income-tax will be charged.• Therefore, in this case the tax is chargeable on the income in the same year in which it is earned.
	Assessment of persons leaving India [Section 174]	<ul style="list-style-type: none">• When it appears to the Assessing Officer that any individual may leave India during the current assessment year or shortly after its expiry, and such individual has no present intention of returning to India, the total income of such individual, from the expiry of previous year for that assessment year (i.e. from 1st April of the assessment year) up to the probable date of his departure from India shall be chargeable to tax in the same assessment year.
	Assessment of association of persons or body of individuals or	<ul style="list-style-type: none">• Where it appears to the Assessing Officer that any association of persons or a body of individuals or an artificial juridical person formed or established or incorporated for a particular event or purpose is likely to be dissolved in the assessment year in which

	artificial juridical person formed for a particular event or purpose [Section 174A]	such association of persons or body of individuals or artificial juridical person was formed or established or incorporated or immediately after such assessment year, the total income of such person or body or juridical person, for the period from the expiry of the previous year for that assessment year up to the date of its dissolution, shall be chargeable to tax in that assessment year.
	Assessment of persons likely to transfer property to avoid Tax [Section 175]	<ul style="list-style-type: none">• If it appears to the Assessing Officer during any current assessment year, that any person is likely to charge, sell, transfer, dispose of or otherwise part with any of his assets with a view to avoiding any payment of his tax liability, then the total income of such person for the period from the expiry of the previous year for that assessment year (i.e. from 1st April of that assessment year) till the date when the assessing officer commences proceedings shall be chargeable to tax in the same assessment year.• However, in this case also the rate of tax applicable shall be the rate given in Part III which are applicable for advance tax also.
	Discontinued business [Section 176]	<ul style="list-style-type: none">• Where any business or profession is discontinued in any assessment year, the income of the period from expiry of the previous year for that assessment year up to the date of such discontinuance may, at the discretion of the assessing officer, be charged to tax in that assessment year.• Any person discontinuing any business or profession shall give to Assessing Officer notice of such discontinue within 15 days thereof.

Assessee [Section 2(7)]	Assessee means a person by whom any tax or any other sum of money (fine, interest, and penalty) is payable under the Act and includes – A. Every person in respect of whom any proceeding has been taken under the Income Tax Act: <ul style="list-style-type: none">• for the assessment of his income or the income of any other person in respect of which he is assessable; or• to determine the loss sustained by him or by other person; or• to determine the amount of refund due to him or to other person. B. Every person who is deemed to be assessee under any provisions of the Act, e.g. representative assessee. C. Every person who is deemed to be an assessee in default under any provisions of the Act. A person is said to be an assessee in default if he fails to comply with the duties imposed upon him under Income Tax Law.
Rounding off of Total Income [Section 288A]	<ul style="list-style-type: none">• The total income, as computed above, shall be rounded off to the nearest multiple of ten rupees and for this purpose any part of a rupee consisting of paise shall be ignored.• Thereafter if such amount is not a multiple of ten, then, if the last figure is 5 or more, the amount shall be increased to the next higher multiple of 10 and if the last figure of Total Income is less than 5, the amount shall be reduced to the next lower multiple of 10.• For example, if the total income is 8,79,467, it shall be rounded off to 8,79,470 and if it is 8,79,464.90 it shall be rounded off to 8,79,460.
Rounding off of tax, etc. [Section 288B]	<ul style="list-style-type: none">• The amount of tax (including tax deductible at source or payable in advance), interest, penalty, fine or any other sum payable, and the amount of refund due, under the provisions of the Income tax Act, shall be rounded off to the nearest multiple of ten rupees.• For this purpose where such amount contains a part of ten rupees then, if such part is five rupees or more, it shall be increased to ten rupees and if such part is less than five rupees it shall be ignored.

Section 80EEA

Eligible Assessee : Individual

Eligible Payments : Deduction in respect of interest payable on loan taken from a FI (bank or HFC) for acquisition of residential house property (In case the property is self-occupied, the deduction would be over and above the deduction of ` 2 lakhs under section 24)

Forexample, if the interest payable is, say, ` 3,80,000 on loan taken from FI for acquisition of residential house, ` 2 lakh can be claimed as deduction u/s 24(b) and ` 1.50 lakhs as deduction u/s 80EEA. Even though for let-out property, there is no limit u/s 24, by virtue of section 71(3A), set-off of loss from house property against any other head of income is restricted to ` 2 lakh. Hence, the excess interest payable can be claimed u/s 80EEA, subject to fulfillment of prescribed conditions.

Further, deduction under section 80EEA can be claimed during the pre- construction period, when deduction under section 24 is not permissible. Such interest on which deduction under section 80EEA has been claimed cannot be included in pre- construction interest for deduction under section 24 later on in instalments).

Permissible Deduction : Deduction of upto 1,50,000 would be allowed in respect of interest payable on loan taken from a FI for acquisition of house property.

Conditions:

- Loan should be sanctioned by a FI during P.Y.2019-20

- (2) The threshold limit given in column (3) of the table is with respect to each payee.

II Advance Payment of Tax

Liability for payment of advance tax [Sections 207 & 208]

- Tax shall be payable in advance during any financial year in respect of the total income(TI) of the assessee which would be chargeable to tax for the A.Y. immediately following that financial year.
- Advance tax is payable during a financial year in every case where the amount of such tax payable by the assessee during the year is ` 10,000 or more.
- However, an individual resident in India of the age of 60 years or more at any time during the previous year, who does not have any income chargeable under the head “Profits and gains of business or profession” (PGBP), is not liable to pay advance tax.

Instalments of advance tax and due dates [Section 211]

Advance tax payment schedule for corporates and non-corporates (other than an assessee computing profits on presumptive basis under section 44AD or section 44ADA) – Four instalments

Due date of instalment	Amount payable
On or before 15 th June	Not less than 15% of advance tax liability.
On or before 15 th September	Not less than 45% of advance tax liability (-) amount paid in earlier instalment.
On or before 15 th December	Not less than 75% of advance tax liability (-) amount paid in earlier instalment or instalments.
On or before 15 th March	The whole amount of advance tax liability (-) amount paid in earlier instalment or instalments.

Advance tax payment by assessee computing profits on presumptive basis under section 44AD(1) or section 44ADA(1)

An eligible assessee, opting for computation of profits or gains of business or profession on presumptive basis in respect of eligible business referred to in section 44AD(1) or in respect of eligible profession referred to in section 44ADA(1), shall be required to pay advance tax of the whole amount on or before 15th March of the F.Y.

However, any amount paid by way of advance tax on or before 31st March shall also be treated as advance tax paid during the F.Y. ending on that day.

Interest for defaults in payment of advance tax [Section 234B]

- (1) Interest under section 234B is attracted for non-payment of advance tax or payment of advance tax of an amount less than 90% of assessed tax.
- (2) The interest liability would be 1% per month or part of the month from

	1st April following the F.Y. upto the date of determination of total income under section 143(1) and where regular assessment is made, upto the date of such regular assessment.
(3)	Such interest is calculated on the amount of difference between the assessed tax and the advance tax paid.
(4)	“Assessed tax” means the tax on total income determined u/s 143(1)/under regular assessment, as the case may be, less TDS & TCS, any relief of tax allowed u/s 89, any tax credit allowed to be set off in accordance with the provisions of section 115JD.
(5)	Where self-assessment tax is paid by the assessee under section 140A or otherwise, interest shall be calculated upto the date of payment of such tax and reduced by the interest, if any, paid under section 140A towards the interest chargeable under this section.

Interest for deferment of advance tax [Section 234C]

(a) **Manner of computation of interest u/s 234C for deferment of advance tax by corporate and non-corporate assessee:**

In case an assessee, other than an assessee who declares profits and gains in accordance with the provisions of section 44AD(1) or section 44ADA(1), who is liable to pay advance tax u/s 208 has failed to pay such tax or the advance tax paid by such assessee on its current income on or before the dates specified in column (1) below is less than the specified percentage [given in column (2) below] of tax due on returned income, then simple interest@1% per month for the period specified in column (4) on the amount of shortfall, as per column (3) is leviable u/s 234C.

Specified date	Specified %	Shortfall in advance tax	Period
(1)	(2)	(3)	(4)
15 th June	15%	15% of tax due on returned income (-) advance tax paid up to 15 th June	3 months
15 th September	45%	45% of tax due on returned income (-) advance tax paid up to 15 th September	3 months

	15 th March	100%	100% of tax due on returned income (-) advance tax paid up to 15 th March	1 month
<p>Note – However, if the advance tax paid by the assessee on the current income, on or before 15th June or 15th September, is not less than 12% or, as the case may be, 36% of the tax due on the returned income, then, the assessee shall not be liable to pay any interest on the amount of the shortfall on those dates.</p> <p>Tax due on returned income = Tax chargeable on total income declared in the return of income – TDS – TCS - any relief of tax allowed u/s 89 - any tax credit allowed to be set off in accordance with the provisions of section 115JD</p>				
(b)	<p><u>Computation of interest under section 234C in case of an assessee who declares profits and gains in accordance with the provisions of section 44AD(1) or section 44ADA(1):</u></p> <p>In case an assessee who declares profits and gains in accordance with the provisions of section 44AD(1) or section 44ADA(1), who is liable to pay advance tax u/s 208 has failed to pay such tax or the advance tax paid by the assessee on its current income on or before 15th March is less than the tax due on the returned income, then, the assessee shall be liable to pay simple interest at the rate of 1% on the amount of the shortfall from the tax due on the returned income.</p>			

- (c) **Non-applicability of interest under section 234C in certain cases:** Interest under section 234C shall not be leviable in respect of any shortfall in payment of tax due on returned income, where such shortfall is on account of under-estimate or failure to estimate –
- (i) the amount of capital gains;
 - (ii) income of nature referred to in section 2(24)(ix) i.e., winnings from lotteries, crossword puzzles etc.;
 - (iii) income under the head “Profits and gains of business or profession” in cases where the income accrues or arises under the said head for the first time.
 - (iv) income of the nature referred to in section 115BBDA(1) i.e., dividend in aggregate exceeding of ` 10 lakhs including in the assessee’s total income.
- However, the assessee should have paid the whole of the amount of tax payable in respect of such income referred to in (i), (ii), (iii) and (iv), as the case may be, had such income been a part of the total income, as part of

the remaining instalments of advance tax which are due or where no such instalments are due, by 31st March of the financial year.

Tax Collection at source [Section 206C]

(a) Sellers of certain goods are required to collect tax from the buyers at the specified rates. The specified percentage for collection of tax at source is as follows:

Mr. X, carrying on the business of operating a warehousing facility for storage of sugar, has a total income of Rs. 80 lakh. In computing the total income, he had claimed deduction under section 35AD to the tune of Rs. 70 lakh on investment in building (on 1.4.2019) for operating the warehousing facility for storage of sugar. Compute his tax liability for A.Y. 2020-21. Show the calculations of Alternate minimum Tax also.

Answer

Computation of Tax payable by Mr. X for AY 2020-21

Computation of Normal Tax

Particulars	Amount (Rs. in lakh)
Tax liability under the normal provisions of the Income-tax Act, 1961	22.125
Add: Surcharge @ 10% of Total income > 50 lacs	2.2125
Add: Health and Education Cess @ 4% of 24.3375	0.9735
Total Tax Liability	25.311

Computation of Alternate Minimum Tax

Particulars	Amount (Rs. in lakh)
Adjusted Total Income	80.00
Add : Deduction under section 35AD	70.00
Less : Depreciation under section 32	(7.00)
Adjusted Total Income	143.00
AMT @18.5%	26.46
Surcharge @ 15% (since adjusted total income > Rs. 100 lakh)	3.97
Tax	30.43
Add: Health and Education Cess @ 4%	1.217
Total tax Liability	31.647

Since the regular income tax payable is less than the AMT payable, the adjusted total income of Rs. 143 lakhs shall be deemed to be the total income of Mr. X and tax is payable @18.5% thereof plus surcharge @ 15% and cess @4%. Therefore, tax liability is 31.647 lakhs.

However, Mr. X would be eligible for credit in 15 subsequent years to the extent of difference between the AMT and Normal Tax i.e. Rs. 6.336 lakhs.
